DESCRIPTION

Oak Hall Cottage is an enchanting property which is enviably situated in a prime town centre location in the heart of the conservation area, accessible to shops and amenities yet offering an unusual level of seclusion and privacy.

This exceptional property enjoys charm and character in abundance with a superior finish throughout. The very comfortable accommodation which is bright, airy and flows beautifully has been designed to maximise the southerly aspect over the town with views to the sea in the distance. The accommodation comprises a welcoming dining hall leading to beautiful kitchen with bespoke cabinetry and walk-in pantry and a particularly generous sitting room. On the first floor there are three bedrooms, two doubles and a single, and a spacious bathroom.

The gardens have also been afforded the same level of attention, they have been beautifully landscaped and planted for year round interest providing delightfully secluded areas in which to relax and dine alfresco. There is a garden workshop/studio and a delightfully secluded south facing terrace to the front of the house and to the rear the pretty garden is gently tiered with a wide level expanse of lawn. There is of course the added benefit of a garage and parking, quite the rarity in this convenient town centre location.
