Victoria Mews, Whitstable

Location

The seaside town of Whitstable is located on the picturesque North Kent coast, 60 miles from central London and 7 miles north of the historical city of Canterbury. Famous for its working harbour and native oysters the town proves popular with both tourists and residents alike. From its stunning coastline with a variety of water sports to the popular high street brimming with independently run cafes, boutiques, restaurants and pubs, there is plenty to see and do. The main line train station provides fast and frequent links to both London St Pancras & London Victoria, as well as regular buses departing from numerous stops throughout the town linking Whitstable to the surrounding areas and beyond. A number of popular infant and junior schools are found locally in the town with both grammar schools and private schools easily accessible in Canterbury.

Harvey Richards & West are delighted to offer for sale this wonderful three-bedroom end of terrace modern town house located just off Regent Street in the heart of Whitstable's popular conservation area. Set back from the Road and tucked away behind the high street in the sought after Victoria Mews development this wonderful home has so much to offer. Moments from the bustling high street and a stone's throw from the beach this wonderful property would make a fantastic home or holiday let. Arranged over three floors and benefiting from a privately owned off street parking space this is one not to be missed.

Once through the front door you enter into the hallway which all the ground floor rooms lead from. To your left there is a very handy ground floor cloakroom and to the right is the kitchen. The kitchen is fitted with both base and wall units in a cream shaker style and has solid wood work tops. The living room/ dining area is found to the rear of the property and overlooks the garden. This bright and airy room centres around a fireplace.

On the first floor there are two bedrooms both with built in wardrobes. A family bathroom is also found on this floor and it currently houses a three-piece bathroom suite with an overhead shower. At the top of the staircase on the second floor there is a dedicated home office space.

The spacious master bedroom is found on the second floor and benefits from its own en-suite shower room with WC.

The pretty rear court yard garden is accessed via the French doors in the living area. This low maintenance garden is entirely paved and enclosed by a garden wall and fence. A gate from the garden leads out to the privately owned off street parking space.
