The Vines, Island Wall, Whitstable

Location

The seaside town of Whitstable is located on the picturesque North Kent coast, 60 miles from central London and 7 miles north of the historical city of Canterbury. Famous for its working harbour and native oysters the town proves popular with both tourists and residents alike. From its stunning coastline with a variety of water sports to the popular high street brimming with independently run cafes, boutiques, restaurants and pubs, there is plenty to see and do. The main line train station provides fast and frequent links to both London St Pancras & London Victoria, as well as regular buses departing from numerous stops throughout the town linking Whitstable to the surrounding areas and beyond. A number of popular infant and junior schools are found locally in the town with both grammar schools and private schools easily accessible in Canterbury.

Harvey Richards and West are delighted to offer for sale this beautiful 3/4 bedroom, 3 storey, beach front property located on Island Wall in the heart of Whitstable's popular conservation area. Centrally positioned on one of the most popular streets in the town this wonderful property benefits from stunning sea views, its own private garden and allocated off street parking which is rare to find in central Whitstable.

This modern mid terrace weather boarded home is arranged over three floors and has been lovingly maintained by the current owner. On the ground floor there is a good sized kitchen/breakfast room with French doors leading out to the small garden area. The kitchen is fitted with shaker style units and a granite worktop as well as integrated appliances and the whole ground floor recently had oak tongue and groove timber flooring installed creating a hard wearing low maintenance finish much-needed when living by the sea. There is also a front reception/bedroom on the ground floor and a handy downstairs W/C.

The main reception room is found on the first floor; this spacious room is to the rear of the property and has fantastic sea views. There is a set of French doors which lead out on to a timber and glass balcony which is large enough for a small table and chairs to sit and enjoy the sunsets. One of the three bedrooms is found on this floor as well as the main family bathroom. The bathroom contains a modern three-piece bathroom suite and hand held shower attachment. There is also a handy storage cupboard on the landing which houses the immersion heater.

On the second floor there are two further bedrooms and a shower room. Both rooms have dormer windows and TV points and the rear facing room benefits from lovely sea views.

The fenced rear garden is accessed via the French doors in the kitchen. This low maintenance space is enclosed by a white picket fence to make the most of the sea views.
