If you are looking for a move in ready, beautiful high specification bungalow then stop your search here! Rarely available, we are pleased to offer this extended bungalow on the door step of a Cuckoo Trail access point, and boasting a level landscaped southerly aspect garden laid mainly to lawn with patio area.

Inside, you come into a spacious and light hall, from here you'll enter the open-plan kitchen-dining room with an array of high end integral appliances, occasional doors into the lounge and a separate study. From the inner hall there are three bedrooms, with the master benefitting ensuite shower room and a family bath and shower room too.

On approach is enough block paved driveway to fit all the family and friends when they come to visit, not to mention a garage and converted office space too.

The solar panels you will see on the rear elevation roof are generating 4.2 KWH with a feed-in tariff of 15 pence per unit. There are 15KW batteries but these will be a negotiable point.
