The Area

The Cedars is a well-regarded retirement development located just on the outskirts of Hailsham town centre, offering a peaceful yet convenient setting for residents aged 55 and over. With direct access to the scenic Cuckoo Trail, a former railway line now transformed into a leafy walking and cycling route. The development enjoys a semi-rural feel while still being within easy reach of everyday amenities.

Hailsham itself is a thriving market town offering a comprehensive range of shops, cafés, restaurants, and essential services. Supermarkets including Asda, Tesco, and Waitrose are all within easy reach, and the town centre is approximately a mile from The Cedars. The local post office, medical centres, and a leisure centre further add to the town's convenience.

Transport connections are excellent, with regular bus services running through Hailsham providing links to Eastbourne, Lewes, Polegate, and Brighton. The nearby mainline station at Polegate (around 3.3 miles away) offers direct rail services to London, Gatwick, and the south coast, ideal for visiting family or exploring further afield.

Life at The Cedars is underpinned by a genuine sense of community. The development is managed by an on-site manager and supported by a 24-hour emergency call system, giving peace of mind to residents. A monthly service charge contributes to the upkeep of the development and includes buildings insurance, window cleaning, maintenance of communal roads and front gardens, and the presence of the on-site manager. Residents also benefit from organised social events and a welcoming neighbourhood atmosphere.

Surrounded by open countryside and with the South Downs National Park just a short drive away, The Cedars offers the perfect balance of tranquility, convenience, and community, making it a truly desirable place to call home.
