Sail Street, Hailsham

DESCRIPTION

CHAIN-FREE! This absolutely immaculate three bedroom semi detached home is a prime example of how a new build can be transformed into a truly stunning family home. Built in 2021, it occupies a peaceful position on the edge of the development, fronting open green space and playing areas, giving it a sense of openness rarely found on modern estates.

The accommodation is both stylish and practical, with a welcoming entrance hallway leading to a convenient ground floor cloakroom, a spacious dining kitchen that's perfect for family gatherings, and a beautifully presented living room. The lounge has been tastefully decorated to create a warm and inviting atmosphere, with plenty of natural light enhancing the space.

Upstairs there are three well proportioned bedrooms, including a lovely main bedroom with an ensuite shower room, and a modern family bathroom off the landing.

Externally, the home continues to impress. The front garden is neatly maintained, and the driveway provides parking alongside the house. The rear garden boasts a timber garden room and has been thoughtfully landscaped to include both lawn and patio area, offering the perfect space for outdoor dining, relaxation, and entertaining.

A beautifully finished home in a quiet yet convenient location, ideal for families or couples seeking a move-in ready property with generous space both inside and out.
