Enjoying a truly convenient location, this deceptively spacious detached family home benefits from a generous 119ft rear garden, detached outbuilding and a huge amount of scope and opportunity for the new owners to come in and place their own stamp on this home.

The property is really nicely presented having been recently re-decorated and fitted with new carpets. Benefitting from generous and flexible accommodation with an abundance of natural light throughout as well as wonderfully proportioned rooms with higher than usual ceilings, all of which helps to provide that genuine feeling of space throughout this home.

Not only is this family home just 0.5 miles from Epsom railway station but it is also within the Stamford Green conservation area with its picturesque green, duckpond and woodland located just a few hundred metres away. In our opinion, finding a better positioned and more balanced family home within this price range would be a difficult task indeed.

The property is within the catchment of many fantastic local primary and secondary schools and such is the rarity of this opportunity, we are inviting applicants to lodge their immediate interest at which point we will arrange your private showing.

The property benefits from extremely generous accommodation throughout with a great entrance hall that is not only welcoming, but also provides a great first impression. There are three well balanced reception rooms, comprising a dining room with bay window, living room with French doors linking to a bright garden room. The spacious kitchen benefits from a pantry/utility space and the ground floor is complimented further by a gardeners W.C.

The master bedroom enjoys a fantastic elevated outlook over gardens and the playing fields to the rear, there are three further well balanced bedrooms, and a generous family bathroom, making this fine family home feel complete.

As well as the large loft space, the property provides a huge amount of potential with attached outbuildings that can easily be converted into a home office, gym, or even further reception or bedroom annexe space, subject to obtaining the necessary planning permissions.

The rear garden of this home measures 119ft x 34ft and is currently landscaped with a large vegetable and fruit garden to the rear, but essentially its a great blank canvas and a really brilliant size for a home this

close to the town centre.

West Hill is a highly sought-after and rarely available road located on the West side of Epsom. It is situated within close proximity of Epsom town centre with its comprehensive range of shopping facilities but also only a short walk from the open spaces of Epsom and Ashted Commons, providing a perfect balance between town and country living.

The area is very well served by a comprehensive train service from Epsom to London Waterloo, Victoria and London Bridge and with the M25 (Junction 9) just a short drive away providing access to both Heathrow and Gatwick international airports.
