Located within the very heart of the sought after Ewell Village, and enjoying a bold corner plot, this attractive detached family home has been cleverly re-imagined and extended over the years by our clients, who have loved spending the last 30 years here.

The property itself has been designed and finished to such a standard that you could move in with no need to do any work to it, as well as enjoying an incredibly well balanced layout with 2373 Sq. Ft of space.

It's a home that is perfect for a growing family who are looking for guaranteed school placement at one of the many Ofsted Outstanding Schools nearby, but it may also suit a professional couple due to the close proximity of the station and the incredible entertaining spaces that this home provides.

The property also enjoys a deceptively spacious feel throughout and is just a short walk from the village centre and Ewell West railway station which is approximately 0.4 miles away.

From the beautiful light and welcoming central entrance hall, the wonderful feel of this property is immediate and instantly sets the tone of things to come. The impressive 26ft x 21ft kitchen/dining/family area is the first room

you come to and it's an absolutely stunning space which caters for day to day family life in every way you could wish for.

There is a beautiful and well designed fitted kitchen with noteworthy points including high quality appliances, and a central island with granite worktops to name but a few. The kitchen seamlessly links to defined dining and sitting areas, alongside the a full set of bifold doors that open directly to the terrace.

The double aspect living room enjoys a cosy and relaxing feel to it, whilst the formal dining room provides yet another great entertaining space which could also be a brilliant play room or family space. From a practical sense there is a door from the kitchen to a practical utility room, and of course there is a downstairs cloakroom and further downstairs shower room which completes the ground floor.

Across the first floor are four exceptionally well proportioned bedrooms laid out over two separate areas of the home to increase privacy. There is a modern ensuite shower room and a tasteful modern family bathroom with further separate W.C, not to forget that there is carriage driveway, 68ft Westerly facing rear garden that enjoys a high level of privacy and a detached outbuilding that would make a brilliant work from home office or home gym.

The highly desirable Ewell Village has a rich background dating back to the Bronze age and at the end of the middle ages King Henry VIII established Nonsuch Palace (now Nonsuch Park) in 1538. The High Street offers a variety of shops, restaurants, cafés and pubs. Bourne Hall hosts a public library, subterranean theatre, gymnasium, café, and local museum. It regularly holds gatherings such as fayres and exhibitions.

In the heart of the village lies the picturesque Hogsmill river leading up to the nature reserve. There are a range of popular local schools and of course both Ewell East and West stations (zone 6) offer easy access to London with Waterloo and Victoria taking approximately under 40 minutes.
