Built in 2019, this remarkable property spans an impressive 3,115 square feet, showcasing a harmonious blend of space, light, and bespoke details that set it apart from others in its price bracket.

The accommodation is generously proportioned, making it ideal for modern family living. A standout feature of the home is the sizeable kitchen / dining / family room, which serves as the heart of the house, perfect for both entertaining and everyday family life. The design promotes a seamless flow between spaces, ensuring that every corner of the home feels inviting and functional.

This residence boasts four substantial double bedrooms, each equipped with its own ensuite bathroom, providing comfort and privacy for all family members. Additionally, the second floor features a remarkable 750 square foot bedroom that presents a unique opportunity for conversion into two or even three additional bedrooms, should the need arise.

With its elegant design and thoughtful layout, this detached house is not just a home; it is a lifestyle choice that caters to the needs of a modern family. The combination of luxury, space, and potential makes this property a rare find in the Epsom area. Do not miss the chance to make this exquisite home your own.

As soon as you step into the welcoming central entrance hall with high ceilings the wonderful feel of this house is immediate, with accommodation that flows perfectly and makes the most of the natural light.

At the heart of the property is an impressive 30ft kitchen/dining/family room that is perfect for entertaining as it links directly to the terrace with two banks of bi-fold doors that open all the way. The kitchen has all the modern appliances you would expect from a home as elegant as this including integrated De Dietrich ovens, induction hob built into the central island along with wine cooler.

There is an 18ft living room which has a nice cosy feel to it and a further reception that is currently being used as a study but could easily be a snug or playroom. The ground floor is completed by a generous and tasteful utility room and downstairs cloakroom.

On the first floor are three double bedrooms all with ensembles some of which have nice touches including built in speakers within the vanity mirrors that link to Bluetooth. Between the principal bedroom and the ensuite is a generous dressing room offering an abundance of space, with custom-built storage solutions, including deep wardrobes and multiple shelving units, it ensures every item has its place.

The second floor has a luxurious 750 sq ft bedroom with four piece ensuite that is large enough to be reconfigured to offer more bedrooms or study space according to your needs. Alternatively you could create defined seating and dressing areas which could be some of the best we've seen in a property in this price bracket.

Outside the property benefits from a large driveway and in addition there is a useful garage en bloc. The South/Easterly facing rear garden has been professionally designed to be low maintenance and the terrace benefits from being a real sun trap which is perfect for entertaining on those warm summer evenings.

Epsom High Street has a variety of shops, the Ashley Centre - a covered shopping mall and Epsom Playhouse, which offers a wide range of entertainment, including films and concerts. The Rainbow Leisure Centre & David Lloyd Centre feature a pool, gym and other sports facilities. There is also a wide variety of cafés, restaurants and pubs available locally.
