## 4 CALDER CLOSE, BOLLINGTON, MACCLESFIELD, CHESHIRE, SK10 5LJ

In a tranquil location, towards the end of a cul-de-sac of similar properties, this very attractive home occupies a most delightful position. Calder Close is a peaceful setting with a handful of bungalows. To one side there is woodland along the River Dean with farmland and countryside beyond. The positioning of the home is a great asset, offering many factors which can not be matched by many bungalows in Bollington. Ducks and other wild fowl are regular visitors along with herons and the odd kingfisher. In addition, the cul-de-sac is within close proximity to shops, bus stops, primary schools, the doctors' surgery and a number of other amenities of Bollington, which are a relatively level walk away. Macclesfield is approximately 3 miles away where there are a more comprehensive range of shops and a mainline rail station.

This true 3 bedroomed, detached bungalow which has been well maintained by the current owners and has been extended to the rear adding a second reception room and en-suite shower room. The kitchen has been recently updated with plenty of storage and integrated appliances. The modern tiled bathroom has a modern 4 piece suite with separate shower enclosure in addition to the bathtub.

The driveway provides off road parking for multiple vehicles and leads to the detached garage. The well established garden to the rear provides a beautifully peaceful space to sit and enjoy any nice weather, with a patio area, lawn and decking. The current owners have recently fitted solar panels to the roof of the property which the vendor has advised will be included in the sale of the property.

There is gas fired central heating and uPVC double glazing to the accommodation, which comprises in more detail:-
