This substantial four double bed roomed detached family home is an impressive 1430 square feet in size when including the garage and occupies a nice sized plot in a central position within Gotham village. Gotham has excellent communication links and its own facilities with proximity to Nottingham and Leicester along with the Parkway railway station and the M1/M42.

The actual property has benefitted from upgrades to both the kitchen and the bathroom which are features of the property and this combined with the size should appeal to the purchaser.

Initially on entry there's a spacious hallway which has a useful under stairs cupboard. The lounge is to the rear and has matching flooring to that of the hall, with patio doors out to the decking and with a real flame effect gas fire which is a focal point of the room with polished stone hearth and back.

The dining room is open to interpretation with regards its use and could be a family room/study/office etc and adjacent to this is the ground floor wc. The aforementioned feature kitchen has quality appliances with Neff double oven and grill along with hob with extractor hood above, also a built in dishwasher and fridge freezer along with washing machine and wine cooler. The storage cupboard units are in a light grey finish with contrasting polished metal handles and useful double larder cupboard which has shelving and drawers. The work surface is quartz with matching splashback completing the luxuriant feel. There is under lighting beneath the cupboards, recessed LED lighting to the ceiling and a vertical designer radiator.

To the first floor the landing is also spacious and has a roof space access hatch. Bedroom one is above the lounge and has an en-suite with a mains shower within the cubicle, bedroom two is adjacent and is an impressive size. Bedroom three is to the front and the fourth is next to this having a rebate for a wardrobe with a front aspect window and view over the block paved driveway.

The bathroom has been refitted, having a spa bath which has LED lighting, with both angle poised rainhead and hand held shower fittings respectively. A hidden cistern wc, wash hand basin with double cupboard beneath and a circular heated mirror.

Outside the block paved driveway provides off road car parking and work in conjunction with the garage at the rear, there is the aforementioned decking beyond the lounge and a mainly lawned garden with summerhouse. The garden is fully enclosed by timber fencing some of which has upper trellis work. The property is sold with no upward chain.
