Woodland Vale Road, St Leonards-On-Sea, TN37 6JJ

Looking for a large period home with character, space, and modern efficiency in St Leonards? This beautifully preserved six-bedroom semi-detached house offers just that—original charm, versatile living, and thoughtful upgrades throughout.

Set on the sought-after Woodland Vale Road, this substantial property spans over 2,633 square feet across three floors, providing a fantastic footprint for family living, multi-generational households, or those in need of generous work-from-home and creative spaces.

From the moment you step inside, the original period detailing stands out. With high ceilings, original fireplaces, intricate ceiling roses, and decorative features virtually unchanged since the home was built, this property has true historical integrity. Every living space has a fireplace, and the ground floor reception rooms are further enhanced with two log-burning stoves, perfect for cosy evenings.

Modern comforts have also been carefully incorporated. In 2020, 13 solar panels were installed on the roof, along with a storage battery located in the garage, providing excellent energy efficiency and significantly reducing electricity costs—especially during the sunnier months. The property also benefits from a brand-new heating system with zoned controls across each floor, allowing for more efficient and targeted energy usage.

The home is fully double-glazed with high-quality uPVC sash windows in an original cream wood effect, matching the style of the period and neighbouring property for a consistent, traditional look.

In terms of location, the house is just a short walk from St Leonards Warrior Square station and only minutes from Christchurch Primary School.
