# Grangecourt Drive, Bexhill-On-Sea, TN39 4AX

Looking for a smartly laid out family home with plenty of parking, a garage and a great garden?

This three-bedroom semi in Grangecourt Drive comes with a garage, solar panels and a layout that works for modern living.

Set in a quiet part of Bexhill, this semi-detached home has a driveway, garage and a tidy frontage. A gate leads through to a well-sized rear garden with a mix of lawn and decking, making it easy to enjoy in warmer months.

Inside, the ground floor has two reception spaces that offer flexibility — one works well as a dining room or family area, while the front room makes a comfortable lounge. There's also a third bedroom on the ground floor, ideal as a home office or study, and a shower room which adds real practicality. The kitchen is sensibly arranged with good storage and direct access to the garden.

Upstairs are two double bedrooms, both with good proportions and plenty of natural light. The layout means the house suits both families and anyone needing extra work-from-home space.

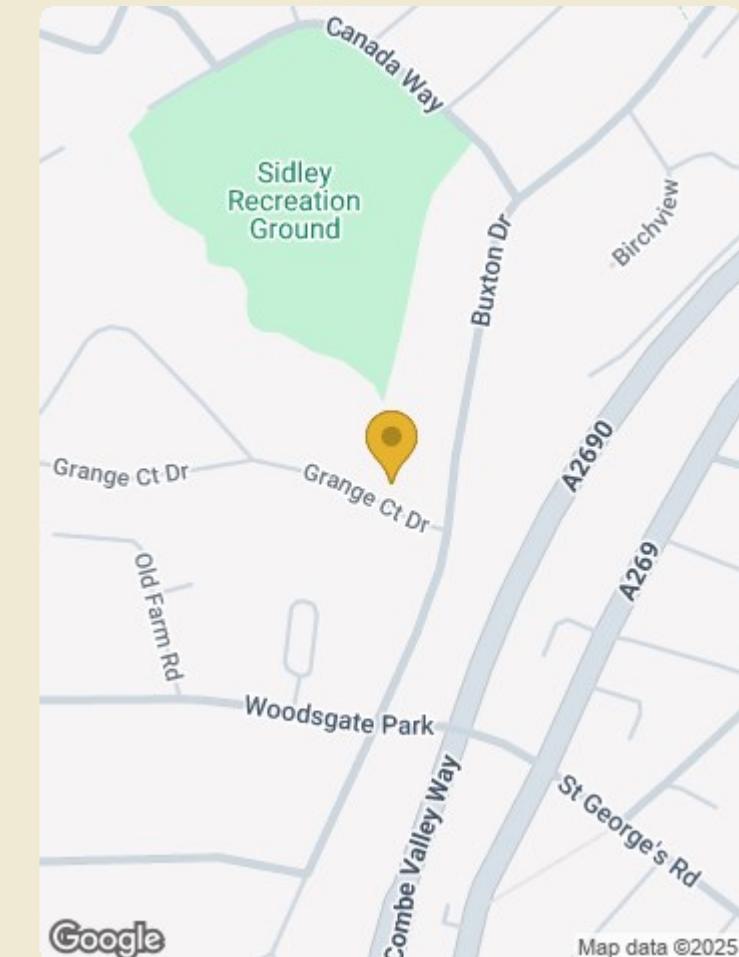

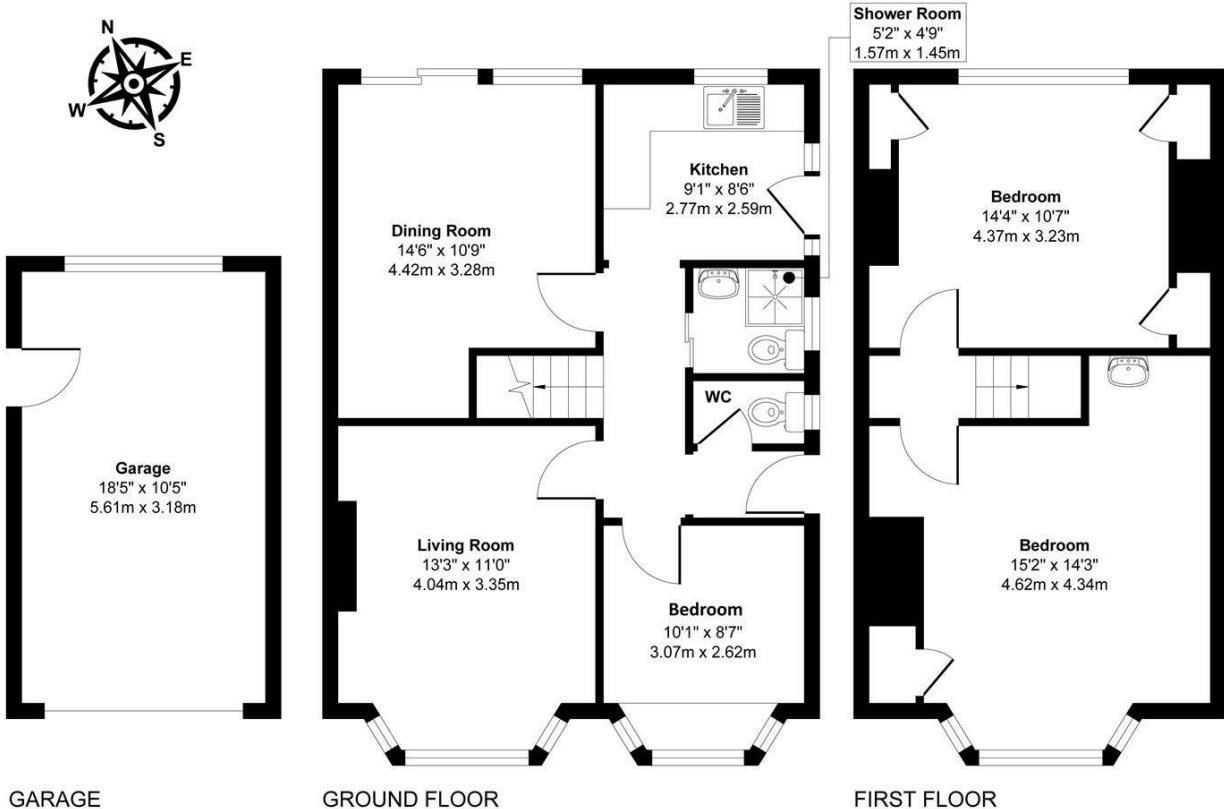

With solar panels in place, there's potential to save on energy bills, and the location works well for local schools, shops and road links. A great all-rounder in a popular area of town.
