Taylors Barn offers a rare opportunity to acquire a substantial, architect-designed five-bedroom family home in the sought-after village of Herstmonceux. Built around four years ago, this bespoke three-storey combining the charm of a traditional Sussex barn with modern comfort and efficiency. The property enjoys far-reaching countryside views, backs onto farmland, and benefits from the remainder of a 10-year new build warranty.

Set behind private electric gates, the home has a resin bonded driveway with turning space, ample parking, and a detached heritage-style garage. To the rear lies an approximately 100 ft landscaped garden with scope for extension, subject to planning.

Internally, the house features oak and glazed staircases, galleried landings, and underfloor heating to the ground floor. The layout includes a spacious open-plan kitchen/breakfast room with breakfast bar, adjoining utility room, a large dining area opening onto the garden terrace, and a generous sitting room.

The first floor offers three double bedrooms, including a principal suite with walk-in dressing room and luxury en suite, plus a family bathroom. The second floor has two further double bedrooms and a family bathroom.

Ideally located in the heart of Herstmonceux, the property is within walking distance of shops, cafés, restaurants, a pharmacy, a primary school, and a modern medical centre, with mainline trains at Polegate, Battle, and Stonegate providing links to London and Brighton.

A striking combination of style, space, and location, Taylors Barn is a rare opportunity to secure a high-quality family home in a desirable village setting.
