Making home moves happen

Gibbins Richards Estate Agents Ltd are proud to offer this wonderful redesign of a detached chalet style bungalow, located in a cul-de-sac position in the ever popular village of Creech St Michael. The property has undergone some significant refurbishment in recent years and now presents itself as a wonderfully unique family home.

Tenure: Freehold / Energy Rating: D / Council Tax Band: D

The accommodation is accessed via a front driveway into an entrance hall. To the left there is a family area, which is open plan into a most magnificent fully fitted kitchen/dining area with a comprehensive range of eye and base level units, central island, additional bar area and fully fitted appliances. This in turn leads to an open area where there is a dining table and then through to a large utility room with further worktop space and storage. The remainder of the ground floor offers a wonderfully unique shower room, two double bedrooms and also an additional box room, ideal as a work from home space or storage area. To the first floor are two further bedrooms, one currently used as a dressing room and the larger of the two first floor rooms having an en-suite shower room. The property is enhanced to the rear by a very good sized level garden, mainly laid to patio and lawn with hedge boundaries and there is also parking at the front for numerous cars. In all, the property presents itself as a wonderfully maintained and upgraded family home with remarkably flexible accommodation throughout with top quality fittings and imaginative interior design. An internal viewing is highly recommended.
