GIBBINS RICHARDS 
Making home moves happen

Havelock Cottage is a detached two-bedroom home, believed to be one of Taunton's oldest residences, dating back to the 16th century. Offered with no onward chain, it combines historic charm with generously sized rooms, a south-facing main garden, and a small rear courtyard. The property is conveniently located within a short walk of Taunton town centre and just 5 minutes from the train station.

Inside, the cottage is full of character, featuring exposed beams, an inglenook fireplace with log burner, and vaulted first-floor ceilings. The ground floor provides a spacious open plan sitting/dining room, a versatile second reception room ideal as a study, breakfast room or snug, a separate kitchen, utility area, and a cloakroom with W/C, along with access to the rear garden. Upstairs are two spacious double bedrooms and a family bathroom with both bath and separate shower.

While some updating would enhance the property, it offers an excellent opportunity to create a unique home. Modern benefits include gas central heating, double glazing, and freehold tenure.
