Situated in a prominent position overlooking the magnificent golden sands and dramatic cliffs of Mawgan Porth is Beach View, a luxury beach front home featuring an elegantly balanced interior, beach views and a far reaching ocean vista.

This generously proportioned detached property of over 2,550 square feet occupies an enviable position on the private and secluded hills on the sought after Trenance side of Mawgan Porth, embracing beachside living with style and class. Hear the roar of the ocean and witness the tide crashing in on the beach below from the privacy of the elevated grounds that encompass the property.

The gardens and grounds stretch to the south taking in an expanse of sandy beach, sea and coastline in the distance. Beach View is also orientated in exactly the right way to enjoy the morning, afternoon and evening sunshine – just a couple of degrees off due south.

The accommodation briefly comprises four genuine double bedrooms, two on the ground floor and two on the first floor where the sea views are at their best. There is a modern wet room to the ground floor and a family bathroom up on the first floor with a chic contemporary ambience. The living and dining accommodation is open plan, with a beautiful parquet floor underfoot and wood burner for cosy nights in. The separate kitchen is sleek and modern, fully equipped and complete with a breakfast bar and stable door to the sun terrace at the side. There is an outside shower for arrivals from the beach and plenty of parking on the tarmac driveway. To the side is a large detached garage with office space above, once granted planning for conversion to annexe accommodation.

Conceived by innovative award winning architects Arco2, planning permission was granted in May 2023 under planning number PA23/02475 for a sustainable, uniquely designed contemporary four/five bedroom replacement dwelling utilising
