Price Guide £1,125,000

A rare opportunity to acquire an individual, detached Victorian residence, set in one of Hertfordshire's most desirable locations. Being marketed for the first time in almost 40 years, the property is being sold with no onward chain and is ready for a new owner to enjoy this beautiful home.

Location

Over the years, St. Catharine's Road has gained a reputation as being one of the most highly sought-after residential roads in Broxbourne. East Lodge sits on a quiet corner and is very well placed for transport links with Broxbourne Railway Station, being a short walk away (Liverpool Street in just under 30 minutes) There are excellent road links with the A10 giving easy access to the M25 and M11.

Broxbourne has a local parade of shops, restaurants and other amenities and there are very good schools for all ages close by. Further shopping facilities are just a short drive away at Brookfield Farm, where you can find a Tesco Superstore, a flagship Marks and Spencer and other retail outlets.

There are excellent sporting facilities in the vicinity including the Broxbourne Sports Club (tennis, squash, hockey, cricket, running) and the Broxbourne Sailing Club.

The New River is easily accessible, just a short stroll along a public footpath and Broxbourne Woods, Hertfordshire's only National Nature Reserve, is situated just the other side of the A10, a great place to go walking or cycling. Another lovely place to visit, within a very short drive, is Hertfordshire Zoo (formally Paradise Wildlife Park)

The Property

This delightful, detached period home was built towards the end of the Victorian era in mellow red brickwork, as a unique property that commands a favoured corner position in this highly desirable, tree lined road. The coveted conservation area is just a short walk from Broxbourne Mainline station that serves London Liverpool Street in under 30 minutes, yet the striking aesthetics would certainly not look out of place in a more rural, country setting.

The owners extended the house in the 1990's, blending the new parts seamlessly with the original architecture, taking utmost care and attention to the very last detail. Further potential remains to enlarge the living accommodation, should you wish to do so.

The layout offers: Enclosed entrance porch, traditional hallway, guest cloakroom/w.c., an open plan living/dining room which is part sub-divided by an attractive brick fireplace housing a wood burning stove. Just offset, there is a cosy snug area and a separate study. The spacious kitchen/breakfast room runs front to back and has an open plan utility area. Adjacent to this is the garage, which could easily lend itself to be converted and incorporated into the existing living space, as there is a further, large detached double tandem garage within the grounds.

Upstairs, the principal bedroom is generous in size and enjoys a dressing area with built-in wardrobe cupboards and en-suite facilities. There is a second generous double bedroom with fitted furniture and a smaller third bedroom. These two rooms are served by the family bathroom.

The front of the property has amazing kerb appeal. Manicured hedges and mature planting give privacy, with brick piers leading into the gated driveway and the single, attached garage.

The rear garden is beautifully maintained by a professional gardening company. There is a large terrace to the immediate rear of the house and a raised seating area, the perfect spot to enjoy outside dining in the warmer months. Mature trees and raised planting areas border the well-tended lawn. There is also a timber framed outbuilding, currently used as a potting shed and storage facility, however could be utilised in many other ways, depending on a buyer's needs.

There is a small lane to the left of the house, shared with three neighbouring properties, that leads you to secure, double gates opening to a parking area and then in turn to the large, detached double tandem garage. There is also a personal door into the garage from the rear garden.
