Offers In The Region Of £750,000

This much-loved family home has been enjoyed for decades by the current owner. This particular property was the original 'show-home' for this sought after development, which remains as popular with buyers today as it was then.

The house enjoys a wide frontage with what would have been a double garage, however one half of the garage was converted when it was built. to provide the sales office and that layout was retained.

Well maintained, throughout, there is now scope for some cosmetic updating in places, however this presents a wonderful opportunity to make this lovely property your own.

The accommodation offers: Hall, living room, dining room, conservatory, fitted kitchen, utility room, guest cloakroom and a versatile second reception.

Upstairs there are four bedrooms, the principal bedroom having en-suite facilities plus a family bathroom.

There is plenty of driveway parking to the front and a private, enclosed rear garden.

Lawrence Avenue is a sought after development with lovely walks alongside the River Lee. No. 4 is within a short stroll of St Margaret's Station serving London Liverpool St. (approx. 40 minutes) and the High Street amenities that include a Co-Op store/Post Office, pharmacy, a range of independent shops, a choice of restaurants/public houses and a regarded primary school.
