This individually designed, 3-4 bedroom detached home, built approximately 12 years ago for the current owners own occupation, offers stylish and flexible accommodation, with independent annexe potential should an incoming buyer require multi-generational living or perhaps a separate work space.

Set in the Conservation Area within the delightful and highly sought after village of Aspenden, just on the western fringes of Buntingford, the property is positioned just a short walk from the village pub, cricket green/playing fields and enjoys panoramic countryside views to the rear.

## The Property

This excellent family home offers approaching 2,500 sq. feet of flexible living space, set over two floors. The ground floor accommodation benefits from either porcelain tiling or engineered oak flooring, offering the warmth and comfort of under floor heating. Upstairs there are traditional oil fired radiators. Upvc double glazing features throughout.

The current accommodation is arranged as: Reception hall, guest cloakroom/w.c, impressive living room with wood burner which is open plan to the dining room, a separate cosy sitting room with open fire and a contemporary modern kitchen/breakfast room with separate utility room.

To one side of the house, a garden room links to a small lobby that has a door to the garage and stairs up to a studio room/bedroom 4.

To the other side of the house there are three generous bedrooms, all with bespoke fitted wardrobe cupboards, the principal bedroom having en-suite facilities. A family bathroom completes this floor.

This versatile property could also be configured to provide a self-contained annexe if required by converting part of the garage, utilising the garden room and studio/bedroom 4.

To the front, a gravel drive provides parking for four vehicles, which in turn leads to the double garage. The rear garden is fully enclosed and very private.
