AGENTS NOTES

The conversion from the old church hall was carried out in 2020, when all new plumbing and heating were installed. There is a gas boiler (6 years warranty remaining) and full underfloor heating on the ground and first floors, zoned room by room and controllable via an app. All new timber stud walls were installed with 'Celotex' and the roof features insulated felt and 'Celotex' between the rafters. The entire roof was re-roofed during the renovation.

Mains gas, electricity, water and drainage are connected. Broadband & mobile phone coverage can be checked at <https://checker.ofcom.org.uk/>
