DESCRIPTION

Hunters Estate Agents, Downend are delighted to offer for sale with no onward chain this deceptively spacious and versatile maisonette which is conveniently located for the amenities of both Staple Hill and Fishponds and for major commuting routes.

The amenities include a wide variety of independent shops and supermarkets, restaurants, coffee shops, banks, doctors surgeries and dental practices. Bus routes and the Bristol cycle path are only a stones throw away from this property which make it an ideal position for someone who works in the city centre.

In our opinion, this property would ideally suit a first time purchaser, or for those searching for an investment opportunity.

The light and airy and spacious accommodation is displayed over three levels. The ground floor level has a large entrance hall with a staircase leading to the first floor level where there is a large kitchen/diner with a feature fireplace to the front of the property, a double bedroom and a bathroom with an over bath shower situated overlooking the rear.

The kitchen/diner represents a super social area in the heart of the property. There is an extensive range of wall and base units which incorporate an integral oven, induction hob, washing machine and dishwasher and more than enough space to have a large dining table and occasional chairs.

To the top floor there are two additional double bedrooms with breath taking views over the city.

Externally to the rear of the property there is a low maintenance garden which is laid to loose shingle and with two off street parking spaces at the rear.

Additional benefits include; uPVC double glazed windows and gas central heating supplied by a Vaillant boiler.

Properties in this location, of this size and with this versatility are rarely available, so we would encourage an early internal viewing appointment to fully appreciate what this super property has to offer.
