DESCRIPTION

Hunters Estate Agents, Downend are proud to bring to the market this stunning converted barn conversion forming part of the original Baugh Farm estate in Downend dating back to the 18th Century.

This unique home offers everything a modern family or professional would require, whilst sympathetically retaining all its character and charm.

The secluded position of the property gives the feeling of a rural setting, backing on to open woodland and the neighbouring Leap Valley with its many nature trails whilst at the same time being in walking distance to many amenities. The amenities include several shops, pubs, bus stops and the highly sought after Bromley Heath Infant and Junior schools which are both rated as outstanding by Ofstead.

Downend and Emersons Green shopping centres are only a short drive away with their array of shops, cafes and restaurants. Excellent transport links means The Avon Ring Road and motorway networks are easily accessible as is the Bristol Cycle Path with Bristol Parkway station only approx 3.5 Miles away with its daily service to London Paddington.

The area is conveniently located for many major employers within Bristol which include: MOD, British aerospace, Rolls Royce and U.W.E to name a few.

On entering the property you are met by an impressive large hallway which can also be used as an extra reception, the remainder of the ground floor comprises: lounge with beautiful Inglenook fireplace and wood burner, sitting room, a fantastic 30ft dining/family room which really is the hub of the house with stunning vaulted ceiling, kitchen/breakfast room with shaker style painted wood kitchen units and oak work tops and a Aga style cooker, utility and cloakroom. To the first floor there are 2 landings to each side of the house which is linked by an impressive Mezzanine level, with access to 5 generous size bedrooms (master with en-suite) and 2 bathrooms. The dual aspect windows in many of the rooms creates a superb light and airy feel to the property.

Externally there are mature lawn gardens to side and rear, driveway providing ample off street parking and an additional barn which requires refurbishment but offers fantastic scope to create further accommodation or potential annex.

There is the added advantage of the property being offered for sale with no onward chain.
