DESCRIPTION

Hunters Estate Agents, Downend are delighted to offer for sale with no onward chain this immaculately presented detached family home which occupies a position in the prestigious location of Fromeside Park, within walking distance of Snuff Mills and the Oldbury Court Estate which provides excellent outdoor recreational space for people of all ages.

The area is also within easy reach of several highly regarded schools. Local conveniences include a diverse array of independent shops, supermarkets, cafés, restaurants, a library, and both medical and dental practices. Originally designed as a four-bedroom home, the property has been meticulously upgraded and is currently configured as a spacious three-bedroom home arranged over three beautifully presented levels.

On the ground floor, the welcoming entrance hall opens via glazed double doors into a generously proportioned lounge and a luxurious open-plan kitchen/diner. The kitchen is a true showpiece, featuring an extensive range of high-gloss cabinetry, a large central island, and premium integrated appliances including two electric double ovens, an induction hob, dishwasher, and fridge/freezer. Bi-folding uPVC doors lead to a terraced area with elevated views - perfect for entertaining. The lounge is equally impressive, centred around a stone feature fireplace with a flame-effect gas fire, creating a warm and inviting ambience.

To the first floor there is a modern cloakroom, a utility room, a study, and a conservatory. The utility room comes complete with a selection of Neff appliances and is fitted with a range of modern high gloss wall and base units. The conservatory overlooks the rear garden and has been enhanced with a tiled roof, underfloor heating, and air conditioning - ideal for year-round enjoyment.

To the second floor you'll find three generously sized double bedrooms and a superb "Jack & Jill" bathroom, accessible from both the landing and the master bedroom. The master bedroom is fitted with bespoke wardrobes, air conditioning and French doors opening out onto a balcony. The luxury contemporary bathroom features under floor heating, a jacuzzi bath with built in television, a walk-in shower and motion activated low level lighting. The second bedroom also benefits from air conditioning and a large modern en suite shower room.

The versatile basement level offers fantastic potential for use as home office space, or additional living space. The basement level has a large open plan living space with modern fitted kitchen units, two bedrooms, a cloakroom and shower.

Externally to the rear of the property is a stunning south facing landscaped garden with the main attraction being the swimming pool and a sunken hot tub.

To the front of the property is a large block paved area providing ample off-street parking for several vehicles which leads to a large garage with an electric up and over door.
