

By The Way

Salisbury, SP3 4HG

Guide price £750,000

By The Way is a truly special attached property which can only be appreciated by a visit. The house was built in the 1940's in a characterful style and has been extended and extensively refurbished by its current owners to create a wonderful family home. Set within its own grounds By The Way benefits from particularly generous and private front and rear gardens. The flexible accommodation comprises three reception rooms, 4.8m kitchen/breakfast room, utility room, master bedroom suite with dressing room and en-suite, three further double bedrooms (one with en-suite) and a large modern family bathroom. Outside the property has a substantial double garage with useful studio/office over and extensive driveway parking. Sitting quietly along this private road, By The Way enjoys a peaceful setting with rural views yet is within walking distance of extensive village amenities. The village of Shrewton is very well placed for the A303, Salisbury Plain and open countryside. Amesbury is a short distance with a long list of useful amenities and Salisbury is only within easy reach (11 miles).

Location

Rollestone Road is a quiet private road located within walking distance of the village centre. Here there is a general stores, primary school, church, public house and hall. Amesbury is 3 miles away, connection to the A303 2 miles away, and Salisbury about 10 miles.

Directions

From Stonehenge proceed on the A360 Devizes Road towards Shrewton. On the edge of the village go down a small hill then turn left into Rollestone Road. Continue round the right hand bend and you will come to By The Way on the right side after about 200 yards.

Outside

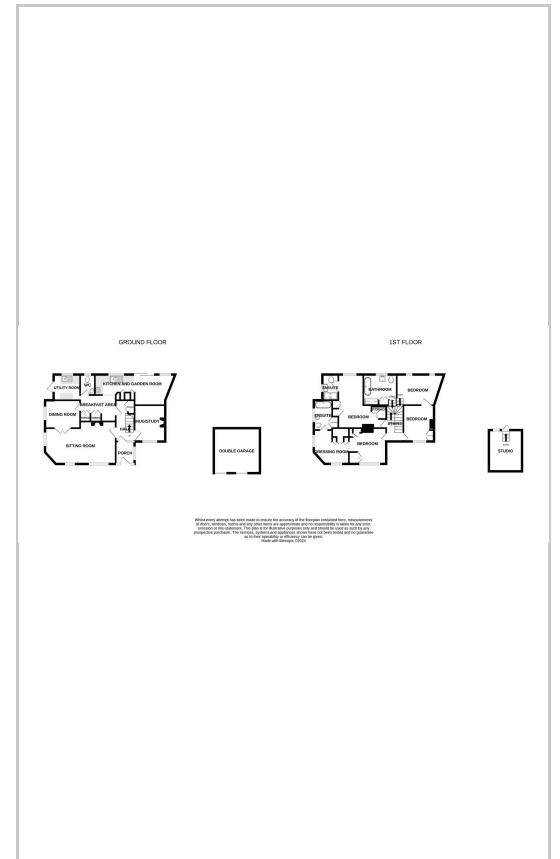

Sat within an extremely private plot the property is fully enclosed by mature Laurel hedging. Double gates lead to brick paved driveway with parking for 5-6 cars. Steps to the front door, side and studio. The rest of the front garden is predominantly lawn with an extensive range of mature trees and planting, due to the size and privacy of this area it can be used fully and is a safe environment for children and animals. There is also power running from the house to the bottom of the front garden and to drive.

To the rear of the house is a newly laid full width grey porcelain tiled patio with outside tap and light. Raised fishpond with waterfall. Steps lead up to a generous lawn which is well enclosed by mature hedgerow and trees. Screened oil tank. Toward the far end of the garden is a substantial area with a range of mature trees which could be used for a vegetable garden, chicken run or perfect play area for children.
