Location

Crudgington is a popular village, close to the adjoining village of Waters Upton with its award winning butchers, community village shop with Post office and St Michael's Church. Crudgington itself has a non-denominational primary school, which is within walking distance of the property and a small C of E Church, dedicated to St Mary. The property is ideally located for commuting to Telford (9 miles) and Shrewsbury (12 miles) with their large shopping and recreational facilities and main line train stations. The M54 is also within 9.5 miles, with its access to M6 and West Midlands.

Brief Description

This modern Detached House, built by Shropshire Homes to a high standard, has well presented accommodation, decorated in neutral tones throughout. A feature storm porch leads to the Entrance Hall with Cloakroom off having a two piece suite. The Lounge is off to the left, a light and airy room with windows to the front and side and French doors to the rear garden.

The Dining Kitchen, another light and airy room, with window to the front and French doors to the rear garden – there are a range of drawers and cupboards, complementary working surfaces, space and provision for both a washing machine and upright fridge / freezer.

Stairs, from the Dining area, ascend to the first floor Landing – the principal Bedroom enjoys beautiful far reaching views to the front overing farmland and the Wrekin in the distance; a door leads into the En-suite Shower Room. There are two further Bedrooms, one to the rear and one to the front. The main Bathroom has a white three piece suite. Internally, the property benefits from gas central heating and double glazing.

Externally, the property is approached over a paved pathway to the front entrance door with attractive shrub border and lawned garden. The rear garden is well proportioned and predominantly laid to lawn with a paved patio area and side gate providing pedestrian access. There is driveway parking directly behind the garden for approximately two vehicles and benefits from an electrical charging point.
