What the owner says:

"We have absolutely loved this house. It was our first buy and it couldn't have been a better choice. The house always feels light and bright from every room. The garden adds an extra room especially in the summer the children just run in and out and free flow play. We love living so close to the park, town and sea, but also in a quiet residential area too with the loveliest neighbours you'll ever meet. We might be biased but we think it's the best house on the street with the distant sea views from our sea facing dormer! We are sad to be moving, but we've outgrown it now but we know it will be the perfect home for someone."
