What the owner says:

"Living in this home has been an absolute joy—sun-drenched and peaceful, with the South Downs National Park just a 30-second walk away and breath taking sea views from both the master bedroom and living room. It's been the perfect first house to raise our growing family. We've cherished the quiet, friendly community, our lovely Neighbours, and the convenience of having local shops, parks, and excellent schools all within walking distance. With nature quite literally on our doorstep and a low-maintenance design that let us truly enjoy it, this home has given us a life full of warmth, love, and unforgettable memories. We'll always be grateful to have called it home."
