What The Owner Says:

"This flat has been our perfect first home, ample space, modern kitchen and good storage making living so easy. We have enjoyed the convience of multiple supermarkets and amenities just down the road, as well as many excellent bus links. The property is bright, the house plants have thrived and the garden is a also wonderful suntrap, perfect for relaxing, pottering and growing tomatoes! We've loved watching the many birds through the kitchen windows, as well as the comings and goings of the neighbourhood cats, it's a vibrant green haven. The street is also welcoming and quiet, the perfect community driven space. We joined the neighbourhood WhatsApp group straight away and have some fantastically helpful neighbours. We are very sad to be selling our lovely flat but we got married last year and are unfortunately starting to outgrow the place. We really hope the next owners will treasure their new home as much as we have."
