PARTICULARS OF SALE

Refurbished in 2020 to a high standard, Dolphin Cottage 1736 is a Grade II listed cottage, tucked away in a little-known yard, off Flowergate, on the west side of Whitby town centre. Even though it is as central as it is, the location is deceptively quiet.

In the far corner of the living room a tight winding staircase rises up to the first floor landing where there are doors to the master bedroom and shower room, before continuing up to the second bedroom on the second floor.

The half-glazed entrance door opens from the communal yard into the open plan living room with a beamed ceiling and an exposed stone wall opposite the door and window.

The master bedroom has a polished boarded floor and a wide window facing east into the communal yard. Painted in cool pastel tones, the bedroom has space for a wardrobe and drawer sets (included).

The kitchen units run in an L-shape down two sides of the room and include the usual integrated equipment and there is a storage and cloakroom cupboard under the stairs.

The shower room has a good finish with luxury vinyl flooring and a window to the front as well as an extractor fan.

Half tiled with white tiles and a dark grout, the shower suite includes a glazed shower cubicle, a low flush WC and a pedestal wash hand basin. Chrome ladder towel rail.

The winding staircase rises from the first floor landing directly up into the second bedroom on the second floor.

Set within the roof of the cottage, the second bedroom is presented with twin beds and furniture (included). It has a polished boarded floor with a broad dormer window overlooking the communal yard and a small hatch giving access to the eaves in the front of the roof.

The property is heated throughout by modern electric panel radiators with thermostats and timers.
