PARTICULARS OF SALE

2 Uppgang Lane is an Art Nouveau semi-detached building dating from the last years of the 20th Century that was a private house, but was converted to flats in the early 1980s. It retains a number of original features including tiled floors, panelling and leaded glass in the communal areas.

Flat 2 lies on the first floor where a part glazed door and screen opens into a hallway with a corridor off. Doors open from here to all the rooms.

There is scope to choose your uses for the rooms and the largest has been engaged as a generous master double bedroom by the most recent occupants. The room has a broad window facing to the front of the building looking over the town, up towards the moors. It has a tiled fireplace plus ceiling cornice and picture rail.

The second bedroom is a generous double room with a broad window facing to the rear, offering views over the rooftops of the town. The fireplace has been removed but there is a cupboard built into the recess to the side of the chimney breast. Picture rail.

The lounge has a broad bay window to the front offering views back towards the moors, as well as across the Flowergate cross roundabout towards the town park and has plenty of room for both sitting and dining. Ceiling cornice and picture rail.

From the main entrance hallway, an archway opens through to a corridor with doors off to the WC, bathroom and kitchen.

The kitchen has a simple range of modern white units with laminate worktops, a stainless steel sink unit, electric oven and gas hob.

There are spaces for the usual appliances including a position for an automatic washing machine. There are 2 windows to the side and a further window to the front, plus a door to a recessed cupboard housing the modern gas combi style central heating boiler.

The bathroom has a simple white suite with a panel bath with shower over and glazed shower screen. There is a wash hand basin and a shelved storage cupboard.

A window looks out to the rear corner of the building. The WC is separate with a matching white suite and window to the rear.

Outside

The property has no outdoor space other than use of the paths through the garden for access and a place to stand the bins.
