PARTICULARS OF SALE

An established holiday letting apartment, Hatties House is a duplex apartment occupying the top two floors of this Grade II listed building, positioned in a quieter back street less than 100 yards away from the centre of the town. This is a great location, handy for the town's many attractions including pubs, shops and restaurants. The property even has access to private on-street parking, a real bonus!

Completely refitted and redeveloped by the current owners over the past couple of years the property is really well specified with fabulous décor and floor coverings, great quality kitchen and bathroom fittings, double glazing and proper gas central heating.

From the steps at the front of the building a private staircase rises to the landing off which there is the living room and master bedroom, a further flight of stairs then lead up to the top floor where there is a twin bedroom and the house bathroom.

The living room has a sash window looking out onto the town and has a sitting and dining area at the front with a feature fireplace, whilst an open archway leads into a smartly appointed fitted kitchen with a window to the side. The kitchen is finished with granite worktops and has fully integrated appliances including a dishwasher, oven, hob, fridge freezer and washing machine.

The master bedroom has two windows to the rear and an en-suite WC cloakroom. The guest Bedroom is a twin on the top floor with a dormer window looking out onto the town. The bathroom is smartly appointed with tiled walls and a modern white suite including a shower bath, WC with concealed cistern and wash basin set in a vanity unit. A Velux rooflight faces to the rear.
