GENERAL

It is rare for a small development in such a prime position to come to the market. The Rookery is in a lovely country setting located to the West of Galley Common with far reaching country views. Outline planning permission has recently been secured for up to two dwellings. It is expected that the properties will be one and a half storey dormer bungalows with floor areas of approximately 1100 sq ft and 1600 sq ft respectively. (Size and scale of the properties to be agreed with the Local Authority).

The purchaser will then be able to apply for detailed consent to build houses to their design.

It is expected that the two plots will be sold to a single purchaser as it would be difficult to divide the site.
