GENERAL

A delightful village house in an idyllic setting with beautifully landscaped gardens extending to approximately 0.6 acres. Station Road is widely considered to be one of the most desirable addresses in Desford and it is rare that houses come onto the market. Rothbury has been in the ownership of the same family for over 50 years, during which time it has been a much loved family home. Although the property has been well looked after over that period, some modernisation is now required but there is potential, subject to the usual consents, to extend and further develop the property creating an outstanding landmark house.
