GENERAL

An outstanding barn conversion in an idyllic setting on the edge of Shenton considered by many to be the most desirable village in the area, and only a few minutes drive from Market Bosworth. The barn is part of an exclusive development and in planning the conversion, every effort has been made to preserve the essential character of this wonderful building, whilst at the same time, creating contemporary and stylish living spaces. Where possible original features such as exposed roof trusses have been preserved and cleverly combined with modern touches. There is underfloor heating in the principal living spaces and particular attention has been paid to the finishes with solid oak brace and latch doors together with hardwood windows.

The accommodation has been well thought out with all the main living spaces looking out onto the walled garden. At the heart of the barn is the wonderful kitchen which opens directly into a sensational living area. The walled garden can be accessed directly through the bi fold doors, creating a fantastic combination of indoor and outdoor space for entertaining. There are three double bedrooms with an en suite and dressing room to the master bedroom and a bathroom. Outside there is generous off road parking.

LOCATION

It is almost unheard of for properties to come to market in Shenton as the majority of the village has been in the ownership of the same family for several centuries. It is without doubt, one of the prettiest villages in the area as there has been virtually no development. There are some lovely walks and Shenton railway station which serves the Battlefield line, is a short distance away together with the historic Battlefield. The historic town of Market Bosworth lies several miles to the North.

Market Bosworth is one of the most well regarded and exclusive towns in West Leicestershire. The town services a wide area and is locally considered to be one of the most desirable locations to live. There is a traditional market every Wednesday as well as a Farmers Market that is held on the fourth Sunday of every month. The town is home to one of the area's leading private schools, The Dixie Grammar, and there is also a High School rated by OFSTED as "outstanding" and Primary School. There is a thriving community with a variety of sports clubs including rugby, football and bowls.
