GENERAL

The Woodlands is a wonderful family house, dating from the 1930's situated on one of Kirby Muxloe's most desirable roads. The house has real character with a turret as the principal design feature. It is set in idyllic gardens and grounds extending to approximately 0.42 acres. On the ground floor, there is an elegant open plan sitting room which is flooded with light through the patio windows, which run the width of one wall, an impressive dining room and home office. At the heart of the house is a living kitchen which opens directly into the conservatory.
