

Plot 8, The Arbury Orton Lane
Twycross
CV9 3HA

£695,950

GENERAL

A fine collection of modern, contemporary houses located on the edge of Twycross. Orton Park is currently being developed by Cartwright Homes, a highly respected family company that specialises in small high quality schemes. The 16 houses have been designed with great sensitivity to seamlessly blend into this wonderful country setting.

It is very much the ethos of Cartwright Homes to encourage every purchaser to choose their own kitchens, bathrooms and tiling, working with them to create their dream home. However, the basic specification is impressive with an air source heat pump and underfloor heating on the ground floor, which as well as creating a comfortable living environment gives incredible flexibility as to how the space is used and arranged. The kitchens on the larger house will generally have silestone worktops and there will be fashionable high end bathrooms.
