Description

The property is discretely positioned amongst just three other neighbouring properties, offering complete privacy within a small and friendly community positioned on the edge of the village.

The property consists of: The formal entrance hallway where all rooms lead from with plenty of space to welcome your guests however, the side entrance with half stable door that takes you straight into the utility room is the common entrance for everyday use especially with muddy dogs and boots.

The utility room has plenty of storage, a sink, space for white goods, integrated dishwasher and is semi open plan to the kitchen. The kitchen provides further eye and waist level storage, a range cooker and a sociable breakfast bar.

From the hallway there is a cosy and welcoming dining room, which is semi open plan to the main dual aspect reception room with exposed beams, wood burning stove and French doors to the garden.

Also from the hallway there are two double bedrooms/reception rooms, and off the inner hallway is a family bathroom and the dual aspect master bedroom with modern ensuite shower facilities and views over the garden and stable yard.

Upstairs there are two double bedrooms with Velux windows, with one benefitting from an ensuite shower room, making this the perfect teenagers den!

Outside

The wrap around garden is laid mainly to lawn with mature hedging and trees such as Birch, Ash and Hazelnut, providing total privacy for the garden, house and stable yard. There is also a double garage and attached workshop with power, lights and water and ample private parking for numerous vehicles.

For The Horses

There is everything you need to keep them in style and comfort. Directly behind the garden is the smart 12 box stable yard and sand turnout pen, allowing you to keep a close on your horses without leaving the house. 3 of the stables are currently used as a feed room, rug room and tack room with plumbing for white goods and sink with hot and cold water. The stables are fitted with automatic water feeders and there is a fully plumbed in toilet behind the tack room.

In addition to the stable facilities there is a Martin Collins fibre sand 60 x 20 arena and useful enclosed rubber/sand lunge pen.

The paddocks totalling approximately 7 acres run to the side and behind the arena and are divided by post and rail fencing into paddocks of various sizes with an access track through the middle. The paddock land is surrounded by mature hedging and trees, providing shelter and shade.

A previous application for an agricultural barn has been approved and the required footings are in place, please see the AVDC website ref 06/01448/APP for full details.

From the property is direct access to one of many bridleways, also connecting to the Hillesden estate. Ask the agent for full details.
