GUIDE PRICE: £900,000 - £925,000

This beautifully presented six-bedroom, three-reception-room detached house is located in a secluded cul-de-sac of just three homes in the heart of Hengistbury Head. It offers spacious and versatile accommodation throughout. Built in 1988 and later extended, the property now boasts over 2,050 square feet of living space. Key features include UPVC double glazing, gas central heating, three separate reception rooms, a conservatory, a modern kitchen with a utility room, a downstairs WC, two ground-floor bedrooms or study options, a 16ft master bedroom with fitted wardrobes and an ensuite bathroom, three additional bedrooms, a modern family bathroom, a garage, and off-street parking, all set within a private rear garden. Viewing is highly recommended!

Upon entering, you will find a hallway with wood flooring and stairs leading to the first floor. To the front of the house, there are two reception rooms, each featuring a charming fireplace. At the rear, the stylish modern kitchen is fitted with an excellent range of wall and base units complemented by contrasting worksurfaces, a built-in oven and hob, a separate utility room, and a WC. The kitchen flows into the dining room, which then leads into the rear UPVC conservatory. There are also two ground-floor bedrooms, which can be used as office space or potential annexe accommodation if desired. On the upstairs landing, you will find four additional bedrooms. The impressive 16ft master bedroom features fitted wardrobes and its own ensuite bathroom with a bath, WC, and basin. There are two further double bedrooms, both with fitted wardrobes, and a spacious single bedroom, again with fitted wardrobes. The stylish family bathroom, equipped with a bath, WC, and basin, is finished with contemporary tiling, completing the accommodation.

Outside, there is a generously sized single garage with an up-and-over door, as well as parking for three to four cars at the front. The rear garden is secluded, featuring a large lawn area with a patio and gated side access.
