This three-bedroom detached house includes a loft room and offers several benefits: UPVC double glazing, gas central heating, a spacious 29-foot reception room, a modern kitchen with a separate utility room, a ground-floor WC, three double bedrooms, two bathrooms, and a loft room that could serve as a fourth bedroom. Additionally, there's a 29-foot carport, a detached garage, a large front garden, and a lovely sunny rear garden.

Upon entering through the porch, you will find a welcoming hallway. To the left is a bright and spacious 29-foot through lounge featuring a double-glazed bay window at the front and sliding patio doors at the rear. The modern kitchen is equipped with a comprehensive range of wall and base units, complemented by contrasting work surfaces and built-in appliances, including an oven, hob, and fridge/freezer. The separate utility room has a door leading to the carport and provides space for a washing machine and dryer, along with a convenient ground-floor cloakroom. From the first-floor landing, you'll find three double bedrooms and two bathrooms. The impressive master bedroom features a large bay window overlooking the rear aspect and has stairs leading up to the loft room, which could be used as a dressing room or office, or converted into a fourth bedroom by installing a new stud wall. The main bathroom includes a suite with a bath, WC, and basin, all featuring stylish tiling.

At the rear, you'll find a lovely garden extending approximately 50 feet in length, adorned with mature borders.
