THE APARTMENT COMPANY®

20TH ANNIVERSARY

ALBION PLACE is a fantastic opportunity for first time buyers and investors alike, with a rooftop communal garden & covered parking, this spacious second floor apartment is situated in the highly sought after Victoria Bridge Court development in the heart of Bath with access to Riverside Walks.

The development sits alongside the river Avon, and is accessible to river walks taking you into the city centre.

It is part of a residential building constructed in 2002. The building comprises five modern flats, and is situated on the edge of Victoria Bridge Court. This is a secure gated development with allocated covered parking and bicycle storage, plus delightful communal gardens which include a roof style terrace for residents of Albion Place.

The property has a generous lounge and well proportioned bedroom, offering a bright and airy living space. A standout feature is the allocated covered parking - a rare luxury in central Bath, providing both convenience and security.

With its spacious layout, prime location and high demand in the area, this apartment won't be on the market for long - early viewings are highly recommended to fully appreciate all it has to offer.

The block management of this development has recently changed. Major works scheduled for the summer to include roof repairs are fully funded in the sinking fund (details available on request to serious buyers)
