• 3 BED SEMI-DETACHED HOUSE • SEMI-RURAL LOCATION • LARGE WELL MAINTAINED GARDENS • SHEDS/WORKSHOPS/GARDEN STORES • PARKING FOR SEVERAL VEHICLES • BEAUTIFULLY PRESENTED

The house has been in the present ownership for over 30 years and during that time the owners have upgraded and improved the property both inside and out. Features include gas fired central heating, lovely hand made period wooden windows, damp proof works and large air bricks, wall tie renewal, relaid roof and in our opinion it is offered for sale in a good tasteful decorative condition throughout.

The property stands in a good size garden and Apse Heath is a delightful semi-rural location. Nearby there is access to many miles of foot and bridle paths over the lovely countryside that surrounds the area. There is a good convenience store about a 200 yard walk from the house and the area is served by regular bus routes.

In our opinion this property would be ideal family home. The garden features a number of sheds/workshops.

We would recommend an internal viewing to fully appreciate all that this property offers with accommodation that comprises:-
