PROPERTY DESCRIPTION

We are genuinely delighted to once again be instructed to sell this rare and stunning 3 bedroom barn, that we first sold when it was completely renovated and restored. The Hay Barn, was indeed just that, in it's previous life, and during the restoration, around 10 years ago, much of the original beams, floor joists and other materials were retained and restored, whilst there was particular attention towards complimenting these features with a modern yet appropriate specification, that include Mandarin Stone natural honed limestone tiles, oak wood flooring, handmade oak staircase with glass panelling, timber and steel conservation double glazed windows, wood burning stove with 180-degree view of the fire with honed black granite hearth, gas fired central heating with underfloor heating to the ground floor, bespoke handmade and painted kitchen installed by Evergreen Kitchens of Reigate, featuring pewter handles, granite worktops, chrome Franke taps, Ringmaster Induction range, integrated appliances and more besides. The bathroom, en-suite and cloakroom are fitted with Duravit sanitary ware and are created by combining contemporary design with original features. At every turn, you are constantly reminded of the unique blend that was painstakingly executed during the original renovation, and how well it has stood the test of time, both in terms of the timeless choices and the standard with which it was executed.

To the outside, the barn, together with it's neighbour, The Black Barn, is set back privately behind a five bar wooden gate with keypad camera entry phone system, post box and security lighting. It has a private graveled forecourt area, post and rail fence and natural planting, providing ample parking, whilst adjacent to the barn is an open carport and two secure storage areas, whilst the well established rear gardens are bounded by flint wall and mature hedging.

PROPERTY DESCRIPTION

The Hay Barn is located within a stone's throw of The Mint Pub and is also near Banstead Woods popular with running clubs and walkers and Chipstead Village with its many clubs and societies including Rugby, golf, tennis and an active amateur theatre that puts on regular productions throughout the year. It is within close proximity of Banstead Village, with its bustling High Street including Waitrose, M&S Simply Food, Tesco Express, Boots, plus independent shops, coffee bars, restaurants, library, and Post Office. The local area has a wide choice of education in both private and state sectors, whilst the main towns of Sutton, Epsom, Cheam and Reigate offer further recreational and commuter facilities. The area also has excellent transport links providing easy access to the A217 and M25 road-links, the M25 being accessed at junction 8 leading to both Heathrow and Gatwick airport. Chipstead BR Station is within easy reach offering services into London Bridge and Victoria.
