# PROPERTY DESCRIPTION

If you are looking for a new build, for something that reflects current trends in design and specification, but there just isn't anything out there and ready to move in to, may I suggest that you take a look at this ex Berkeley Homes show home, that provides all the hallmarks of one of the most prestigious builders within the area, both in design and specification, that some 10 years after being built is as relevant today as ever. Nestled in a small, exclusive cul de sac on the edge of Tadworth village, we are very pleased to offer this beautifully presented four bedroom, four bathroom family home that offers some 3500 sq ft of light and spacious living accommodation and double garage. On the ground floor is a truly impressive reception hall off of which are all the main rooms, including dining room, study, Sitting room, and kitchen/breakfast/family room, as well of course the cloakroom, and there is a utility room off the kitchen. To the first floor are four bedroom suites, which works really well, and arguably better than a somewhat squeezed 5 bedroom home, offering a more generous proportion and of course an en-suite to each bedroom.

There are so many features to this home, including underfloor heating, high quality kitchen and bathrooms, quality flooring, lighting, tall doors, cornicing, high ceilings, ceiling speakers in some of the main rooms, double glazing throughout, and much more besides. To the outside, the property is approached via a good size brick paved driveway, flanked by lawns and giving access to a detached double garage, whilst to the rear is an attractive, easy to maintain garden that has herbaceous and fenced borders, paved terrace and sweeping lawns, all enjoying a secluded and sunny aspect.
