PROPERTY DESCRIPTION

Nestled at the end of a cul de sac on the edge of Tadworth village and backing on to woodlands, can be found this attractive 4 bedroom detached home, set on a larger than average plot, with double garage and recently built garden studio, as well as having the benefit of being within easy reach of both Tadworth and Walton on the Hill villages. With close to 2000 sq ft of accommodation and garden studio space, this is a home that offers a spacious layout, yet still with the potential to extend (subject to local planning), especially given the shape of the plot, which invites ample opportunity to the left side and rear. Currently you enter the property via a good size reception hall, with stairs rising to the first floor, downstairs cloakroom and door to both study and dining room, which in turn leads to the large sitting room to one side and kitchen on the other side, through which the utility room is accessed, with door to garden and internal door to the garage. To the first floor are 4 good size bedrooms, with an impressive main bedroom and en-suite, 3 further bedrooms and family bathroom. The property is well presented throughout and benefits from gas fired heating by radiators and double glazing.

The property is approached via a private brick paved driveway, flanked by lawns and providing ample space for private and visitors parking, whilst to the rear a full width paved terrace leads to a large area of lawn, with fenced borders, backing on to woodland and a path to the detached garden room studio, perfect for home office, or/and recreational use.
