# PROPERTY DESCRIPTION

Nestled in a quiet backwater on the edge of Tadworth village, and on a road that is highly sought after, is this individual Swedish style home, built for the family who are still the owners by Scandia Hus, offering just over 2500 sq ft of typically light and spacious accommodation over two floors. In fact, it doesn't take long, once through the front door, to work out that this was a home designed by and for an end user, who clearly wanted to create expansive areas and an easy flow. With an open plan kitchen/dining room of close to 30 ft in length, it comfortably houses a full size dining table, whilst the living sitting room of the same size is a room for all seasons and occasions. There is even a 4th bedroom and shower room to the ground floor, ideal for those looking for that flexibility, and to the first floor the flexibility continues, with a large sitting room area off of which are two further bedrooms and a family bathroom, as well as a fabulous main bedroom with en-suite and doors opening out to a large twenty foot sun terrace. With underfloor heating, triple glazed windows and solar panels to the roof, this is also an extremely efficient home to run, both for now and the future.

To the outside, Holly House is approached by a private drive leading on to a good size forecourt area with ample private and guest parking and access to the attached garage, whilst to the rear the large terrace leads to an expanse of lawn, well tended beds and both a shed and summer house, all within a secluded and sunny area.
