PROPERTY DESCRIPTION

This is home of great architectural quality, in a semi rural location that is as attractive as it rare, and been in the same family for some 50 years. A three bedroom detached home that we believe was built in the early 1900`s, it provides some 2300 sq ft of footprint, including outbuildings, and is set within particularly attractive gardens, not to mention benefitting from a private drive area and access to the garage at the front. With every step comes additional opportunities to refurbish and possible even extend this beautiful home, and whilst that prospect may not be on everyone`s agenda, for those who understand the challenges and rewards that come with such a project, this is something that will surely whet the appetite.

The village of Headley has a very active community with Church, village store, tea rooms and public house. Surrounded by extensive National Trust walks and situated within an Area of Outstanding Natural Beauty there are also many local riding stables whilst Tyrrells Wood, Epsom RAC and Walton Heath golf courses near by as well as Beaverbrook Country House hotel. Headley is conveniently situated within easy reach of Junctions 8 and 9 of the M25 providing access to Gatwick and Heathrow.

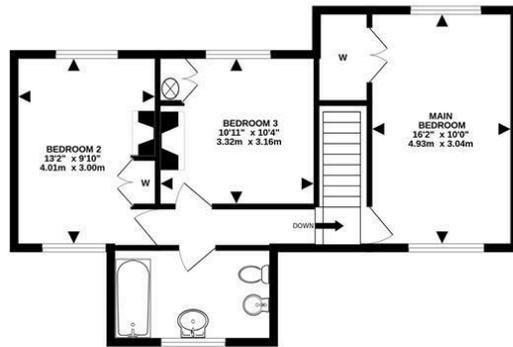

PROPERTY DESCRIPTION

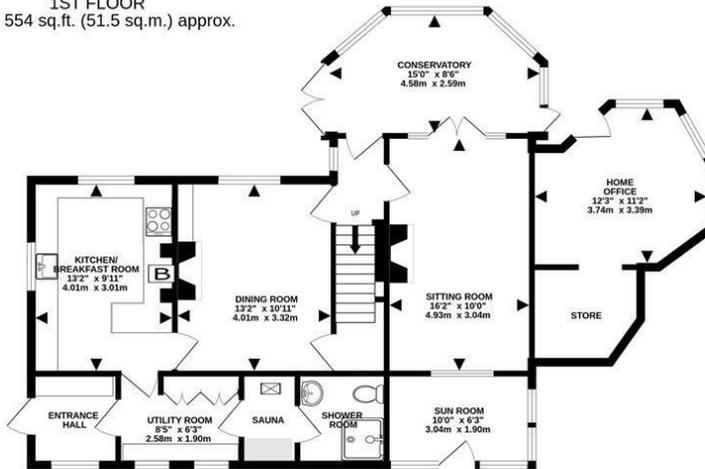

There are many outstanding schools in the area for both state and independent Schooling. Local amenities at Headley, and the neighbouring village of Walton on the Hill cater for day to day needs whilst more extensive shopping and recreational facilities can be found in the nearby towns of Leatherhead, Ashted, Dorking, Reigate or Epsom, all of which offer mainline train services to London Victoria and Waterloo.
