PROPERTY DESCRIPTION

One of the many things we love about selling homes in this area is the wide variety of different types of property we are fortunate enough to see, and it doesn't matter about size, or value, because quality can be found in any size and type of property. And so it is with this beautiful 4 bedroom detached home, which has been much improved by the current owners in recent years and yet still affords further opportunities to make bigger and even better, subject of course to local authority planning permission. For many, location is the primary criteria, be it needing to be close to local schools, the station, maybe shops, or that all important area to walk the dogs, and so often we find ourselves compromised by location, one way or another; but in this home, we believe that it is hard to beat the location, if all the above criteria need to be met.

Offering close to 2100 sq ft of footprint, the accommodation is really well laid out, with a good size reception that provides a cloaks/shoes cupboard, access to the study, stairs to the first floor and a doorway with steps leading down to the 23'5 wide kitchen/dining room, which in turn has an open plan access to the sitting room, as well as steps up to the family room (previously the garage) and a door and steps down to the cellar room, measuring some 18'5 by 13'3, which is a great space for any number of uses, and there is also the boiler room and a useful store. To the first floor are 4 good size bedrooms, three of which enjoy views over the Downs, and a large modern family bathroom with bath and separate shower cubicle.

To the outside is a private drive and forecourt area, whilst to the rear is a full width patio area that leads on to the main lawn area, with an additional seating terrace, well established beds and fenced/herbaceous borders.
