PROPERTY DESCRIPTION

The cottage is well presented and yet presents further opportunities to enhance and possibly even extend (subject to local authority planning), thus making this a genuinely interesting proposition for either a young family or possibly even as a down sizer. What also struck us when we came to see Woodland Cottage, was the outside space, starting with an open parking area directly off the road, and then a further brick paved driveway which leads to a detached outbuilding which was originally the garage but is now an extended studio room, with access to the large rear upper terrace, yet another great feature, including the hot tub area (available subject to negotiation) and steps leading down to the secluded lawn area, all of which enjoys a secluded and southerly aspect. Inside and out, this is a home that keeps giving, and yet has the ability to offer more should you choose to explore those options, and all in one the rarest of locations, just a 5 minute walk from Kingswood Village and Kingswood train station. Keen walkers can also have direct access to beautiful woodland walks just at the end of the road, giving a perfect balance of town and country living.

The village of Kingswood provides a reliable commuter line to London, as well as a comprehensive parade of local shops and restaurants, including a convenience store/post office, bakers, hairdressers, beauticians and The Kingswood Arms public house. Locally there is a wide choice of state and independent schools including Chinthurst, Aberdour, and Kingswood Primary, whilst further schooling including Dunnottar, Micklefield, and Reigate Grammar are found in the nearby town of Reigate. For the golf enthusiasts there are four world-renowned golf clubs close by; Kingswood Golf and Country club, Walton Heath and the RAC golf.

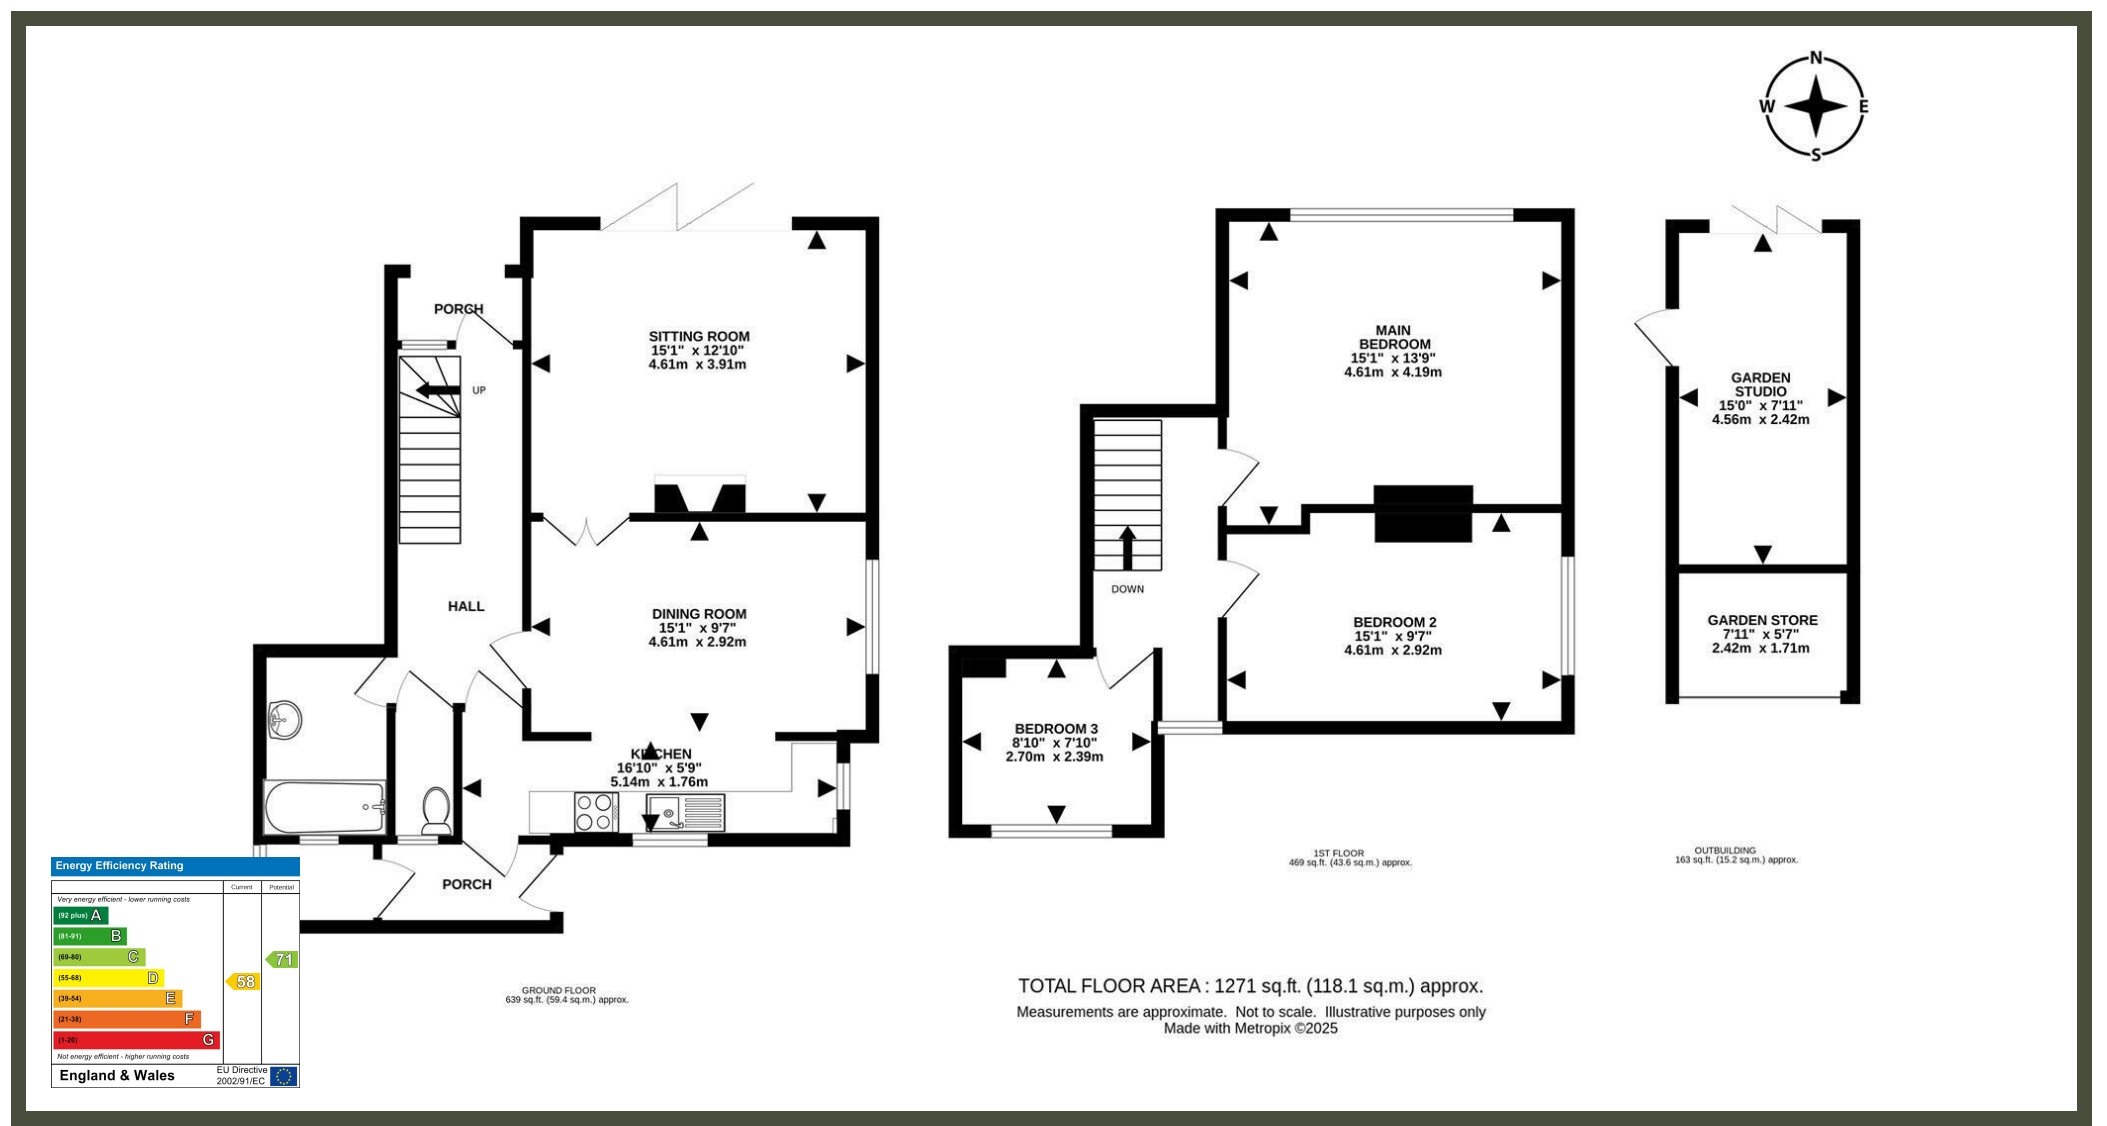

PROPERTY DESCRIPTION

For more varied shopping needs both Banstead and Reigate are within 4 miles with a wide variety of independent boutiques, high street chains, and supermarkets. In terms of transportation, Kingswood Station provides services into London of approximately 45 minutes. The M25 is accessed via Junction 8 providing connections to the wider motorway network and easy access to both Gatwick and Heathrow airports.
