PROPERTY DESCRIPTION

Whether looking for a bolt hole, a downsize, or perhaps something that provides luxury living on one floor, within a small private development, we think we might have just the thing. Introducing a rare penthouse apartment, offering just over 1700 sq ft of footprint, with open bay garage, set behind private gates and enjoying the benefit of beautifully tendered communal gardens, all whilst being situated on the edge of Kingswood village.

We sold the apartment to the current owners when new, and they have spent 17 happy years there, whilst spending time working and travelling, but it is time to make the move, and we are delighted to make this apartment available to the next owner. Whilst the original specification was of the highest order, the current owners have continued to raise the bar, including a replaced kitchen, upgraded flooring, air conditioning in the lounge, and more besides.

Of the many features that exist, the main sitting/dining room of 24'3 by 21'5 is right up there, together with a rear balcony, and one of our favourite rooms is the study, which utilises the roof space to the max. There are also of course two very generous bedrooms, with en-suite to the main bedroom, separate bathroom, and a very handy walk in store room, which could easily have any number of purposes. The communal areas are all well maintained to a high standard, including the lift, security intercom, gardens and gravel forecourt, all situated behind private wrought iron gates.

PROPERTY DESCRIPTION

The apartment enjoys a prime position close to the heart of Kingswood Village, a highly regarded residential area that offers a comprehensive selection of day-to-day facilities, including boutique retailers, cafés, and dining options.

Kingswood Station provides regular services to London Bridge and Victoria in approximately 45 minutes, while Junction 8 of the M25 is just 1.7 miles away, offering excellent connectivity to the wider motorway network. Both Gatwick and Heathrow airports are within easy reach, making this an ideal location for regular travellers.

The surrounding area also offers a wealth of leisure options, with four prestigious golf courses nearby – Kingswood Golf and Country Club, Surrey Downs, Walton Heath, and the RAC Club. Equestrian enthusiasts will appreciate the local riding schools and stabling facilities, and the scenic Surrey countryside offers further opportunities for walking, cycling, and outdoor pursuits.

This apartment presents an excellent opportunity to secure a comfortable and well-positioned home with a balance of lifestyle, convenience, and privacy.
